INDIAN AMERICAN

COMMUNITY of Southern California

To  
Hon. Dr. Ramesh Pokhriyal  
Minister of Education  
Government of India, New Delhi

**Subject: Request to inspire youths for the International Essay Competition.**

Respected Sir

It is my pleasure to inform you that since 2009 Indian American Community of S. California celebrates Birthdays of Great Leaders of India including Netaji Subhashchandra Bose and Swami Vivekananda ji. This year on January 23, 2021 we celebrated the Birthday of Netaji Subhashchandra Bose and Swami Vivekananda ji. together on web-cast with more than 15 countries Globally.

This year being the 125th Birth year of Netaji Subhash Chandra Bose we have planned "The International Essay Competition" about topics on Netaji Subhashchandra Bose and Swami Vivekananda ji. The rules, Aims and Missions of the Essay Competition are given by attachments below.

If Indian Government accepts this project and makes it "the National Project" it will shine the name of Government and BJP in the hearts of youths, which will help to make the roots of BJP strong in mind of youths throughout the country.

Several Universities from India are working with me but if you accept this proposal as the National Project it will be a great tribute to forgotten Netaji and great celebration of the 125th Birth year of Netaji, which I think the Government wants. I congratulate you & PM Narendrabhai Modi and Indian Government for declaring January 23rd as "The Parakram Day" while I used to say it "The Patriotic Day" earlier.

I am sure we shall get strong support and cooperation from you and under your Leadership achieve Goals & Missions of the project- Spirituality, Bravery and Patriotism. Please feel free to write to me for more information or any questions.

Valued suggestions are welcome.

Please acknowledge the receipt of this email with your views.

With Best Wishes, High Regards and Thanks

You are requested to forward this email with attachments to your friends and known association to participate in essay writing competition for sake of a bright future of youths - the next generation, with your note of request and your name.

We lived like slave for more than 1000 years and lost our origin Vedic –valued Sanatan Sanskuti. Should we bring it back? This is the effective way. Let us work hard, inspire our young generation to read, think and write essay. It will plant seeds of Vedic Culture in their mind, will grow and work to sustain Hindu, Jain, Sikh and Buddha Religion. It will be doing sin if we delay or don't work to save our original culture.

Please inspire as many students / youths to participate in the competition as you can. Our plan is to have at least 1000 essay Globally. Please let us know your target.

Thank you and your TEAM for cooperation & hard work.

Please send your essay to the following email on or before March 15, 2021.
