As you are aware that the addendum to the notification no. 37/2021 was issued by Vocational Education Department on 13.09.2022 regarding Vocational subject integrated with Academic courses (Secondary and Senior Secondary) does not have TMA. Instead the marks of Internal Assessment are to be awarded by the AI's for vocational courses mentioned in table below.

For Vocational Education courses, there are three components for assessment i.e. Theory Practical and Internal Assessment as per scheme of examination given in the Vocational Education Prospectus.

The following vocational courses under integration have division/ distribution of Practical, Theory and Internal Assessment as under:

Code No.	Name of the Programme	Marks			Total

Accordingly, the AIs have to upload their Internal Assessment /TMA Schedule in AI's panel on SDNIS portal. You are requested to disseminate this information to all AIs under your jurisdiction so that they can plan the Internal Assessment / TMA and inform all learners well in time.

The awards of internal assessment are to be uploaded on NIOS Portal separately by the AIs by 10th March, 2023 for March /April 2023 public examination.

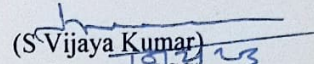

The AIs have to upload the awards of Internal Assessment in different courses based on Periodical Tests, Viva-Voce, Assignments, Projects, etc. taken by instructor / external examiner as per NIOS norms.

You are also requested to keep a close monitoring of conduct of Internal Assessment /TMA which is compulsory and to ensure that all AIs are uploading the schedule for dissemination. If any AI fails to upload the schedule of Internal Assessment /TMA with in stipulated time suitable action to be initiated upon them and copy of action taken be sent to this department and SA/P for necessary action.

This may be treated as **MOST URGENT**
